Jonny be good

Jonny be good tells the story of a young man (Jonny) who enters the world of business administration, horrible bosses and love. Along the journey, he meets his first love (Mandy), first horrible boss (Dave), his first close friend (Katie) and his first rival (Paul). The question is, are these firsts the be and end all of life or is it really just the beginning? Come, join us and let's find out together!

A play with some top bantz, a fair amount of drink and the occasional make out, this is Jonathan Carrick's first ever written play, having been active on and off-stage around the English speaking theatre scene in Berne for the last five years.

Should you be coming, you'll be watching:

Daniel Grütter as Jonny
Aysha Roumen as Mandy
Matthew Wildhaber as Dave
Olivia Long as Katie
Julien Jordan as Paul

Jonny be good will be performed at the Theater Remise on these dates:
